CANTELO

LIGHTING

Introducing
Cantelo Lighting

Our premium lighting solutions are exclusively tailored for discerning hospitality owners, managers, developers, and designers seeking to elevate their venue's ambience with striking lighting structures that captivate clientele. Whether it's room suite packages or one-of-a-kind lighting art centrepieces, we collaborate with world-leading brands and manufacturers to ensure craftsmanship and uniqueness customised to your unique lighting vision.

Why Cantelo Lighting?

Procurement
- De-risk the procurement of decorative lighting
- We take on the risks typically linked with project delivery
- Performance levels backed by financial guarantees
- Premium quality at a fair price

People
- Client-centric service from an expert team
- Agile and determined response to needs
- Exceptional aftercare and support

Projects
- Pioneering design creativity
- Bespoke and customised lighting solutions for hotels
- Access to premium global lighting brands
- Comprehensive end-to-end project management

Places
- Disrupting the hotel lighting status quo
- Creating lighting art for luxury venues
- Flexible designs commissioned for any space
- Elevating ambience through lighting excellence

How we work

Project Management
Embark on a seamless journey from concept to installation with our dedicated team, prioritising and supporting your lighting vision every step of the way

Discovery
Let's explore your lighting aspirations, capturing every detail for a meticulously planned project that perfectly fits your venue

Site Visit
Immerse us in your world during an on-site visit where we'll get to know your lighting needs, clientele, design vision, and unique personality of your venue

Concept Design
Ignite your imagination with our lighting concepts, showcasing the creative and innovative possibilities for your project

Innovation & Sustainability
Fuel your project with our passion for innovation and sustainability, as we explore progressive materials and approaches together

Shop Drawing
Watch as our advanced 3D imaging brings your project to life, refining every aspect of the proposed lighting solutions

Sampling
Choose confidently from a curated selection of samples, ensuring each element meets your exact needs and lighting vision

Design Sign Off
Your satisfaction is our priority; we'll seek your approval on every aspect of the design project before moving forward to production

Manufacturing
Experience expert craftsmanship as your lighting comes to life through hand-selected manufacturing partners, renowned for quality and precision

Installation
Witness the excitement as your lighting vision transforms your venue, guided by our detailed installation instructions and support

Commissioning Assistance
Our expert team oversees complex project instals, ensuring your lighting is brought to life with accuracy and precision

Delivery
Leave the logistics to us, handling import/export arrangements and fees for a seamless hassle-free experience from start to finish

Aftercare & Support
Rely on us for first-class customer support and attic stock replacement service, ensuring the longevity of your lighting solutions
